I have a proposer and have sent him/her the letter.

Proposer's Name (capitals) \_\_\_\_\_

I do not know anyone eligible to propose me. Please arrange for a member to contact me.

### 5 Authorisation

In applying for membership of the Alpine Club, I recognise that climbing and mountaineering are activities with a danger of personal injury or death. I accept this risk and agree that I am responsible for my own actions and involvement in mountaineering.

The Data Protection Act requires us to inform you that, if elected, relevant information will be held on the Club's computerised subscription/address list. Addresses and contact details are made available to other members.

### Communications from other Members:

There is a Members' Area on the Club's website with a facility for members to send emails to other members about non-commercial mountaineering activities. Members receive these emails once their account is activated unless they opt out. (You can opt in or out of members' emails at any time.)

Please tick if you do **not** wish to receive emails from other members via the Club's Website Members' Area.

## **Full Membership Application - Promotion from Aspirant - Guidance Notes**

### **Step 1: Complete the Application Form**

#### **Section 1 Personal Details**

This is self-explanatory. We ask for your occupation as we occasionally seek volunteers with specific skills. It is important that you provide us with an email.

#### **Section 2 Climbing Experience**

This section is simply to find out about the climbing you have done. For Full Membership you will need a minimum of 20 substantive Alpine peaks or their equivalent in other ranges at an average standard equivalent to PD or above, over at least three seasons. After answering the first two questions, just list the routes or peaks you have completed; epic failures may also be listed. If your ascent was guided, or on skis, please note that.

We will take into account Scottish or other major UK winter routes and ski mountaineering ascents. We give more credit for hard routes, new routes and exploration of new areas. If you have been on any expeditions tell us something about them as well. Alpine Club members have been to all the major ranges in the world so we are very pleased to hear about your expedition experience. The Alpine Club is very much a network for exchanging this sort of information. The notes column is to put down any other relevant details such as bivouacs, days on route etc.

The form has space for over twenty peaks / route entries. We would be very interested to have a fuller record of your climbing so please feel free to attach additional pages detailing your experience.

#### **Section 3 Other Contributions to Mountaineering**

We would also like to hear about any other contributions you have made to mountaineering and the mountain environment. This might include running a club or an expedition, research, writing articles or books, painting, environment preservation, etc.

#### **Section 4 Proposer**

All applications for Full Membership need a Proposer who must be a Full Member of the Alpine Club. Your Proposer must know you personally and complete, sign and return to us the attached pro-forma Letter of Support. **If you do not know anyone who is eligible to support your application, tick the appropriate box.** We will help by arranging for a member to talk to you about your application and if appropriate, act as your Proposer. The Chair or the Membership Applications Sub-Committee will contact you to organise this and give you any other advice or help you need..

#### **Section 5 Authorisation**

Please sign and date the form having read the disclaimer. Alpine climbing has objective dangers and we have to make it clear to members that they need to be responsible for their own actions.

### **Step 2: Complete the Applicant's section of the pro-forma Letter of Support and send it to your Proposer to complete and return to us.**

**Skip this step if you wish us to help you find a Proposer.**
